Lusaka, Zambia

(loo-SAH-kah) - Please pray for a tutoring program that some members of the Greater Lusaka Area Team have started along with International Baptist Church as they reach out to the community every Tuesday and Thursday. May the Lord grant wisdom to the teachers to minister to the many needs of the students. Pray also that the Lord will supply the necessary resources to accommodate the many varied reading levels. As the children take part in the chronological Bible storying, pray that they will develop a more accurate view of God; see, understand, and accept God's provision of salvation through Jesus Christ; and have a walk with him, bearing fruit in all that they do. May these children learn to read Scripture for themselves so that their walk with the Lord will be strengthened, and may their reading skills further equip them for careers where they can serve and glorify God.
