Foreign Missions

Tajiks of Afghanistan

(TAH-jeeks) - Maqadas* is a widow with a large family. She used to work at a hospital but lost her job several years ago due to changes at that facility. She currently works in an office. She and her family have had much exposure to the gospel over the past 10 years. She seems to be close to accepting Christ. Pray that she will have a desire to continue reading and listening to Scripture. Ask that she will have the opportunity to sit with believers and continue to grow in her understanding of who Jesus is, and pray that she will continue to share with her family. Pray for her health during the time of COVID-19, asking that she will remain healthy and be able to work. (*name changed)
