Missions: Home and Foreign

Ho Chi Minh City, Vietnam

(HOE-chee-men) - Ten million people. Less than 2 percent of the population with a saving faith in Jesus Christ. These are facts that cannot be ignored. Today marks the 10/10 Day of Prayer for Ho Chi Minh City. Among those 10 million people, a lost person dies in this city every 10 minutes and is separated from God for eternity. God wants to change those numbers and you can join Him in that work through prayer and by directly engaging the people of the city with the gospel of Jesus Christ. Please pray for laborers to be sent into the harvest field. Pray for laborers from among the harvest field as new believers rise up to serve God and share with their family and friends. Pray that new believers will be discipled and obedient in following Christ. Pray for new churches to be multiplied across this city and beyond.
Camel People of North Africa & the Middle East

Camel People of North Africa & the Middle East

This is the month when some of the men among the Camel people will herd their camels back into the mountains in search of the last of the green pastures. Many of the herders will spend the next nine months sleeping in the mountains and sharing life with one another. Oftentimes they will invite whoever comes across their paths to sit and spend time with them. They will drink fresh camel milk or tea and share life stories and news and talk about religious things.
* Pray that some brothers in Jesus who will be hiking the mountains will encounter these herders and have opportunities to share truth with them over tea and milk.

**Special Prayer for:
the devastation from fires in California,
the tragic shooting in Las Vegas, &
everyone still dealing with the devastation of
hurricanes and earthquakes.**
