Sub-Saharan African Unengaged Peoples

"Praise the Lord for what he is doing in response to your prayers for the Chinese of West Africa! In December, you were asked to pray for Jan,* and in April, you were asked to pray for Kim,* as both appeared to be very close to believing the message. During the Chinese New Year, Jan professed her belief and is now part of the family of God. She has been sharing her faith and inviting others to the group. Kim, a transient member of the group, returned to his homeland without having made a commitment. However, through a series of correspondence, we were able to connect him with a brother who met with him and give him a Bible. We have had five new Chinese come to the group at different times over the past several months, three of whom had never heard of Jesus. Please join us in praying for Jan as she grows in her faith and ask that she will continue to be a bold witness to her friends. Pray for Kim to hunger for the Word and to desire to follow. Intercede for the visitors who come into the group, asking that they will be interested in learning more about Jesus. Thank you for your prayers. They are changing the world!" (*name changed)
